A new Landscaping company has been hired and they are busy today trimming up plantings.

The Spa should be fixed today and they have received the part needed.

An Assistant Activity Director has been hired. This person will work part time in the office and part time with the Activity Director. They are still trying to recruit the new Activity Person. Patricia is filling in in the meantime.

A question about walkers being able to get out and back through the gate. She is working on getting a key pad inside the gate by the exit side.

Some equipment in the fitness room was removed last season. When will it be replaced? Patricia said she has requested this in the 2023 budget.
