Issue 4, March 2017

Season 2016/2017

2016/2017 USA and Canada Day Celebrations

CLUB PRESIDENT'S MESSAGE

The March newsletter indicates for many of us that we are in our last month of this winter season at Trails End. Our main project this year was the kitchen grilles which has made cooking events so much more effective. Card Hall bulletin boards are now complete with mostly positive results.

Because there has been no financial commitment from the Park owners, nothing has been done on the pool/quilting addition. The possibility of something happening next season will be pursued when next fall.

The Trails End Board would like to thank the activity coordinators for their work, planning and leadership in making these activities happen. A big Thank You to all the volunteers who assist in the never ending list of jobs that need to be done in order to provide social activities, food, meals, entertainment, library, and all the work that keeps our park looking good. Without these workers and volunteers we would not have a great Park like this that we are proud to call home for the winter months.

Next season may be more of a challenge as we hope the new pool and sewing room will be started.

It has been a pleasure to serve as President for the past two years. I would like to wish the new board success in the next season. I would like to thank my fellow board members for all their hard work over the past two years, good luck next year.

As you return to your northern homes we wish you a safe trip, and a healthy happy summer and a safe return to Trails End next fall. To our permanent residents who stay here year round, take care and see you y'all in the fall.

Floyd Neal, President

2016/17 Board members: Bonnie Moore, Maureen Colburn, Ray Maanika, Kathy Fraser, Jim Frost, Muriel McCallum, Judy Perras-Lenz, and Ellie Scott

PARK MANAGERS MESSAGE

This winter seems like it has gone by too fast!! As we close this 2016/2017 season, there are a few things we would like you to consider:

1. March begins "Open Season" for RVers and occupants of the Park rentals. Open Season means that if you want to reserve a park model, mobile home, or a different RV site than the one you had this season, you can reserve as long as we don't have a reservation for next year already. We require a \$200.00 deposit on RV sites and \$500.00 on rentals. This deposit is refundable in its entirety if you find over the summer or fall that something prohibits you from coming down.

2. Mobile home owners should make arrangements for their lawn care over the summer. We need to know who you have hired. The park maintains your yard for a monthly fee of \$20.00. Even though you have all rock, you need to employ someone to round up the weeds. If you are leaving post-dated checks for the summer months, they need to be

made out for \$290.00 per month or if you are a new buyer on the move-in special, please make them out for \$99.00. We have quite a few of you that have not appraised us of their departure dates. The March bills are out but to avoid getting charged for trash and utilities for April, we need to know your departure prior to March 20th.

3. We have had an abnormal amount of sending and receiving e-mails for residents. We are happy to accommodate you with this service but it takes time away from our normal duties. In the future, we will implement a charge of \$1.00 per page for receiving and printing your e-mails and a \$5.00 charge for sending your e-mails.

4. We have had an abundant amount of homes being sold over the winter so far. That being said, we find that these transactions between maintaining the list of what is for sale, credit/background checks and preparing the proper paperwork is also taking an enormous amount of time. We are happy to accommodate you and the new residents but the time has come that we must begin charging for this service. Beginning March 1st, there will be a \$50.00 cash charge for any home that has outstanding paperwork that has not gone forward to Austin.

We hope everyone has enjoyed this winter. We look forward to your returning in the fall of 2017. Please be safe and healthy over the summer.

Thank you for another wonderful season,
Dan, Bonnie, Anni and Staff

FROM THE EDITOR'S DESK

We are about at the end of another fantastic winter season at Trails End. Compared to last winter, Mother Nature has been kind and provided us with nice weather enabling us to keep up with all the activities.

We wish everyone a safe trip home and a successful summer with your family, friends, the various activities and other celebrations up north. As they have done in the past our full-time residents will keep an eye on things here and they will no doubt heave a sigh of relief that peace and quiet (and summer heat!) will once again reign over Trails End for the next six months or so. Take note – we will be back once the cold winter again threatens our northern homes. Then we will join you again for times of fun, and comradeship as only Trails End can deliver.

Most of us with mobile homes have checklists we follow for “summerizing” our mobiles before we leave. One important thing for everyone to add to their checklists - please check all the activity and bulletin boards located in the Main and Card Halls to make sure you don't miss something that's happening early next winter season. Some items for next season have already been announced and things can and do change after this newsletter is published so please check out the boards before you check out from the park. And please don't forget to notify the park managers too.

What to do something more meaningful? For those of you who would like to become more involved in the park next year, check the list of activities and activity coordinators posted on the Board's Board (north wall of Main Hall). Also check the “Help Wanted” bulletin board in the Main Hall or the announcements in the monthly Trails End Way newsletter. Several rewarding positions await eager volunteers. Oh, you did know that volunteering is a great way to have fun and meet people? Of course you did! Experience it for yourself!

Know what is going on. Attend the Monday Morning meeting at 8:30 a.m. in the Main Hall. As the season comes to a close, several useful bits of information will appear that can and will affect club operations next fall. Be prepared for next season by being informed this season. Monday morning meetings are generally the first source for information that's relevant to the park residents. Be in the know by attending the meeting. There's plenty of room for everyone in the Main Hall.

Help us out. If you have a problem or a complaint with the way things are being run/managed/coordinated/etc., then consider helping with the activity in question. Become part of the solution by volunteering! Several good opportunities next season are awaiting good people. Volunteering is a great way to have fun and meet people.

For the last two months, the newsletter ran a *Cook's Corner* featurette showcasing two recipes per month from Trails End residents. In the interest of brevity and time constraints, plus this being the last newsletter of the season, I elected to not run *Cook's Corner* this month.

Finally, everyone is expressing their thanks for many things and I'd like to extend mine too. To all the residents of Trails End, for your patience, understanding, constructive criticism, and complements during this my fourth year as your newsletter editor. Thank You!

Drive home safely, enjoy your summer and see you in the fall.

*Joe Moore, Trails End Way Editor
903 Leisure Lane, 937-416-5543*

SUNSHINE LADY

The Trails End Sunshine Lady is Beth Feckter. Beth will have cards available in the Main Hall (south wall) for us to sign which she will forward to our friends. Generally, sympathy cards are sent to current and recent residents who have lost a close family member; get well cards are sent to those who have been in the hospital or are seriously ill; birthday cards are sent to those celebrating 80 years of age or older. Please help Beth by letting her know of someone who needs or would appreciate a card signed by the folks here at Trails End. Her contact information is 349 Acapulco or 651-792-5798. You can't begin to imagine what a good feeling such a card brings to its recipient.

THINK YOU ARE HAVING A STROKE?

Call 911 IMMEDIATELY

F.A.S.T. is an easy way to remember the sudden signs of stroke. When you can spot the signs, you'll know that you need to **call 911 for help** immediately. F.A.S.T. is:

Face Drooping – Does one side of the face droop or is it numb? Ask the person to smile. Is the person's smile uneven?

Arm Weakness – Is one arm weak or numb? Ask the person to raise both arms. Does one arm drift downward?

Speech Difficulty – Is speech slurred? Is the person unable to speak or hard to understand?

Time to call 911 – If someone shows any of these symptoms, even if the symptoms go away, call 911.

Beyond F.A.S.T. – Other Symptoms You Should Know

- **Sudden NUMBNESS** or weakness of face, arm, or leg, especially on one side of the body
- **Sudden CONFUSION**, trouble speaking or understanding speech
- **Sudden TROUBLE SEEING** in one or both eyes
- **Sudden TROUBLE WALKING**, dizziness, loss of balance or coordination
- **Sudden SEVERE HEADACHE** with no known cause

If someone shows any of these symptoms, immediately call 911 or the emergency medical services.

FALL PREVENTION - Simple tips to prevent falls

Falls put you at risk for serious injuries. Prevent falls with these simple fall-prevention measures, from reviewing your medications to hazard-proofing your home.

1. **Make an appointment with your doctor.** Review with him/her the medications you are taking for side effects and interactions that may increase your risk of falling.
2. **Keep moving.** Physical activity can go a long way toward fall prevention. With your doctor's ok, consider activities such as walking, water workouts, and easy exercising.
3. **Wear sensible shoes.** High heels, floppy slippers, and shoes with slick soles can make you slip, stumble and fall. So can walking in your stocking feet. Wear properly fitting shoes with nonskid soles to prevent falls and reduce joint pain.
4. **Remove home hazards.** Make your home safer by removing boxes, newspapers and electrical cords from walkways. Move coffee tables, magazine racks and plant stands from high traffic areas. Secure loose rugs or remove them from your home. Use nonslip mats in the bathtub or shower.
5. **Light up your living space.** Keep homes brightly lit to avoid tripping on objects that are hard to see. Place night lights in your bedroom, bathroom and hallways. Store flashlights in easy-to-find places for use during power outages.
6. **Use assistive devices** such as hand rails, nonslip treads on bare-wood steps, raised toilet seats, shower or tub grab bars and a plastic seat for shower or tub.

If you served in the armed forces of the USA or Canada, you may have your picture and information posted to the Veteran Wall. The Veteran Wall is for temporary or permanent park residents who have served in the United States or Canadian Military Services, including National Guard and RCMP members assigned to Foreign Service. Deceased veterans whose spouse still lives in the park may also have their photo on the wall. The kitchen has been busy, busy, busy with dinners, desserts, and so much more...

Tom Dame and I have been trying to keep a little ahead of the game. Tom is doing a super job as he figures everything out and is very much on track with costs, demand, and supply. I on the other hand do try but not so much on track. **STILL LEARNING!!**

There has been some very nice people like Bonnie Moore giving towels for dishes. Also the quilt tying group has given out a lap blanket for Roger Mommer coming home from rehab. Also dish towels and dish rags for kitchen. A big THANK YOU to all!

Thanks to Muriel McCallum for getting a file book to put receipts and books of things we have purchased.

What else can I say but I owe a bunch to great people in our park.

Bon-Appetit!

TOURS - TOURS - TOURS

The 2016-2017 tour season is drawing to a close but is not over.

There are Brownsville Harbor and Dolphin Watch tours out of South Padre Island. There are Farm Tours, King Ranch tours, Louisiana Gambling, and Mexico tours. Just let me know which tour you want and I will try to get you on it.

I have had a request to try the Nashville/Memphis trip again for the beginning of March 2018. I expect pricing to be about \$1,400 for the tour and flight. This trip was jam packed with activities last time. I have posted the itinerary from our last trip.

Have a safe trip home and a great summer.

Come visit us now or make sure you put it on your to-do list for next season. Our new queen is Verna Boss (she's done a wonderful job of covering for me this past year) and her second in command will be Linda Weuthrich.

TIE QUILTING

The tie quilters have had a very productive year and have made and donated over 170 tied quilts as of February 22th. A big thank you to all the people who have donated supplies, to the women who have sewn tops, to the women who show up on Wednesday morning to help assemble the quilts and to the people who have delivered the blankets to those in need. We tend to run low on supplies at this time of year but are always amazed in the fall by the generous donations that come our way. Have a great summer and think of us if you are cleaning your linen closet and can find a corner in your vehicle for the trip down next fall.

Duplicate Bridge is played on Mondays at 12:30 pm in the Library. A partner **IS** required. LADIES/MIXED POOL

The Trails End Ladies Pool play on Mondays and Tuesdays at 3:00 to 5:00 pm and on Wednesdays from 6:30 to 8:00 pm. You can play or practice if you like. This is very informal and all are welcome. We will help you get started, learn some rules, and have fun. Those who want to participate in league play with other parks on Wednesday mornings can do so.

Mixed Pool will again be held on Friday evenings from 7:00 to 9:00 pm every couple of weeks depending on Park activities. Watch for the sign-up sheet in the pool hall. For further information, contact Muriel McCallum at 403-638-2954.

MEN'S 8 BALL POOL

The 8 ball pool league is played on Mondays at 6:30 p.m. Players need to arrive 15 minutes early to make up teams. Players will be categorized as either A or B, based on skill level, and then matched up with a draw that pairs an A or B player together. This method of making teams, along with the alternate shot rule, makes for a pretty even playing field. A round robin format followed

by playoffs determines the winner. For more information, contact the activity coordinator George Dame at 659 Trinidad.
